

TRAP SHOOTING,  
BOXING, WRESTLINGHAPPENINGS OF COAST LEAGUE CLUBS  
CHANGES IN THE SALT LAKE SQUAD

Utes' Training Camp, Porterville, Cal., March 9.—The Utes rested today. A sharp shower this morning made the field soft, despite warm sunshine which followed this afternoon and as a result a holiday was declared. Skipper Bill said would do the boys a lot of good and would be in no hurry to put them out on a wet field. The grounds will be in shape for further work tomorrow in case there is no further rain.

The exhibition game which had been advertised for this afternoon with the Porterville Orange Pickers was canceled. Final arrangements have been concluded for two games Sunday. The second team will go to Lemoore and the first team will play on the local grounds with the Sun Maids of Fresno. This latter game had been announced for the Fresno grounds, but will be played here instead, with a return match in Fresno the Sunday following.

In view of the care with which Bernhard is working his heavers into condition, there will be no games Saturday. Light practice will rule and seven or eight men, chiefly of the recruits, will be sent to the firing lines for the contests Sunday.

There were no changes in the personnel of the squad today. Cross is expected soon from Spokane as an addition to the catcher contingent and it is stated that Tommy Quinlan will show up soon. No particulars as to Quinlan's arrival have been available.

HOWARD'S OAKS BEAT  
CALIFORNIA COLLEGE

Boyes Springs, March 9.—Del Howard's Oaks put over a 5 to 1 win against the University of California nine this afternoon. The grounds were in fairly good shape, despite the heavy rain which fell the night before.

The score: R. H. E.  
University of California.....1 7 2  
Oakland.....5 9 1  
Batteries: University of California—Dimock and Gimbal; Oakland—Arlett, Frough, Kremer and Callan.  
Another outfielder is coming to join the already formidable staff of flycatchers that Manager Howard has under contract. Jimmie Lee, secured from the St. Louis Browns last fall, telegraphed tonight that he will report. Where he will play is a question. Lee will have to show a lot of class to crowd out Hank Miller, Billy Lane and Eddy Middleton from the regular berths. There is also Chadbourn to be figured, with Harry Krause available as a useful outfield utility man.

RAIN PREVENTS GAME  
OF SEALS AND CUBS

Sacramento, March 9.—Baseball didn't turn a wheel today. Not a uniform was donned and the opening Seal-Cub battle scheduled this afternoon was called off. Hard rain the night before, together with showers this morning, rendered the grounds hors d' combat, so Wolverton and Jimmy Sheppard agreed to make it a full vacation period.

L. D. S. U., 25; Box Elder, 17.  
Tonight's games:  
Springville vs. Box Elder.  
L. D. S. U. vs. Snow academy.

Springville stands at the head of the column through winning its game with Snow last night. The game was rough, causing numerous substitutions throughout the game. The first half ended slightly in Springville's lead, 28 to 20. The second half found the Snow boys staging a comeback, making 22 points to the "Villie" squad's 19, but not enough to take the game. Final score: Ville, 47; Snow, 42.

Brigham and the L. D. S. U. staged a fast anybody's game until the last three minutes of play. Then the Saints quit playing basketball and caged three baskets and stopped the Box Elder squad. Final score: Saints, 25; B. E. H. S., 17.

BASEBALL, AUTOS,  
LAWN TENNIS, GOLFHARVARD TENNIS  
SCHEDULE GIVENUsual Southern Trip Will  
Start April 16 With Four-  
man Team.

Cambridge, Mass., March 10.—Manager P. M. Gerahy, of the Harvard tennis team, has announced the schedule for the coming season. The usual Southern trip is to be made, starting April 16.

Captain John F. Pfaffman, elected to succeed George C. Caner, who graduated at mid-year, will issue a call for players about April 1 and trials will be held from which a four-man team will be selected for the Southern trip. Only Captain Pfaffman, Hugh Kelleher and W. D. D. Morgan of last year's star team are still in college.

The varsity schedule after the Southern trip is as follows:

April 28, Amherst at Cambridge; May 5, Dartmouth at Cambridge; May 11, Pennsylvania at Philadelphia; May 12, Princeton at Princeton; May 19, Cornell at Ithaca; May 26, Longwood Cricket Club at Cambridge; June 2, Yale at Cambridge.

HALL FINISHES  
AS CHAMPIONRounds Out Record for Bil-  
liard Title Tournament—  
Scores 400 to 350.

Boston, March 9.—Nathan Hall of this city, who had already clinched the national amateur billiard championship at 18.2 balk line, tonight rounded out his record for the title tournament without defeat, when he scored 400 to 350 in play against the five times former champion, Edward W. Gardner of New York.

Ledyard Blake of San Diego won second place in the standing by his defeat of Jacob Klingler of New York, 400 to 387. The final rating of the championship competitors was:

	Won	Lost
Nathan Hall, Boston.....	6	0
Ledyard Blake, San Diego.....	4	2
E. W. Gardner, New York.....	3	2
T. Henry Clarkson, Boston.....	3	3
E. L. Milburn, Memphis.....	3	3
J. Klingler, New York.....	2	4
Edward Rein, Chicago.....	0	6

In his victory over Gardner, Hall went forty-five innings. It was his poorest exhibition of the tournament. He was behind in count up to the ninth inning and lost the lead again in the thirty-sixth inning. Once regained, however, he held it and ran out in the last inning with 29. His other high runs were 41, 34, 37, 44 and 35, and his average 8.8-9 shots an inning.

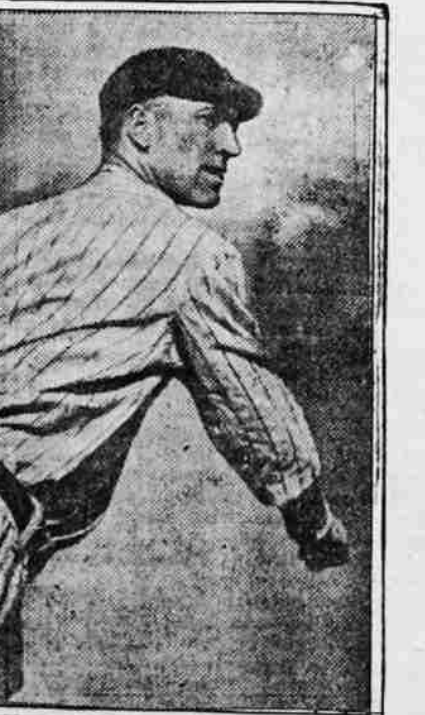

Gardner's best efforts were 37, 22, 28, 40, 26 and 50, the latter being the high run of the match. His average was 7.43-44.

The Blake-Klingler match was the closest of the tournament and decision was in doubt almost from inning to inning. For twenty-four innings Klingler was well advanced over his opponent, but Blake then unlimbered his cue for a count of forty-four and took the lead. Klingler overtook him within five innings, and in the thirtieth inning, when he scored a run of 37, had an advantage of 31 points.

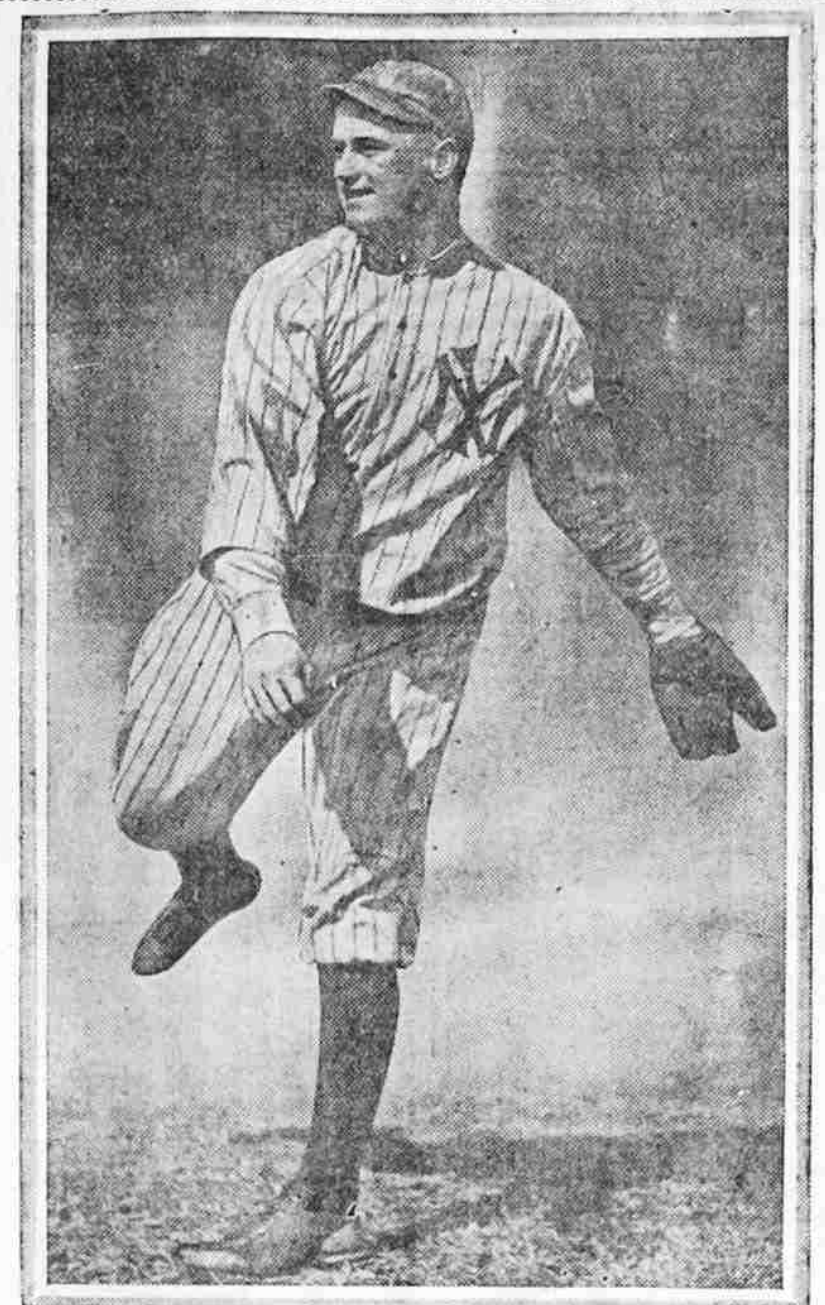

Up to the forty-third inning Klingler continued well ahead, held it and ran out Blake, with a 31, went into the lead by two points. He had increased his margin at the fiftieth, only to see Klingler gain the front again in the fifty-first with a run of 24. Blake's 46 in the fifty-fourth returned his advantage, notwithstanding that Klingler made a 43 in the same inning.

With the completion of fifty-six innings the score was: Blake 394, Klingler 380. Klingler got a 17 in the fifty-seventh, only three short of the required total, while Blake had made only five, but the latter's opportunity to go first to the table in the fifty-eighth made it possible for him to run out with a single shot. Blake's average was 6.52-58; Klingler's 6.55-57.

## A PROMISING YANKEE PITCHER

Here is a young Yankee twirler who is sure to give a good account of himself in the Yankees' fight for the American League pennant this season. He is Allan Russell, the spitball manipulator, who can hurl every other day if necessary. At the tail-end of last season he was one of the most valuable men on Wild Bill's staff.

SHOCKER MAY BE YANKEE  
SENSATION THIS SUMMER

Urban Shocker, the young pitcher whom the Yankees recalled from Toronto late in the season. He had been overworked in the Canadian city, but should be one of the sensations of the American League this season. He led the International League hurlers in 1916.

JOE MANDOT CANNOT BE  
BROUGHT TO OGDEN FOR  
NEXT FRIDAY'S SPORTS

"It will be impossible to match Al Young with Joe Mandot for a bout next Friday night," said Eddie Dallas, the local boxing promoter this morning, following the receipt of a telegram from Mandot's manager, who is now in Orleans. The telegram was to the effect that Mandot was ill, and that he would not be able to appear in the ring for several weeks. Joe Sherman was offered the local promoter as a substitute, but though he is considered almost equal to Mandot in ability, Dallas does not feel inclined to bring him to Ogden at this time.

AL YOUNG AND  
JIMMY JOHNS BOX

The local Owls club staged a big smoker last night in the club rooms, the feature of the affair being several interesting boxing contests. These were arranged by Harry Knowlton, who also acted as referee. Al Young and Jimmy Johns boxed four fast rounds to a draw and similar exhibitions were given by Red Andrews and Bill Douglass, Bill Johnson and Jack Dunn. Comedy bouts were staged by Buss Boyle, welterweight, and Kid Rackham, "paperweight," and Mystery Farley and Sailor Kid. Rackham and Farley were awarded the decisions. A wrestling bout between Jack Namee and Kid P. also proved interesting. This was won by Pickett in three straight falls.

Between bouts, addresses were made by Chief of Police Thomas E. Browning and President R. B. Hender shot of the Owls lodge. The former congratulated the club on the excellent entertainment it had provided and the manner in which the program had

Princeton Baseball  
Team Will Be of  
New Material

Princeton, N. J., March 10.—Coach Clarke will have to develop a Princeton baseball team of nearly new material, as the Tigers suffered heavily by graduations last year. Only three regulars from the 1916 team remain in college.

The chief weakness of the Tiger nine this spring will probably be found in the pitching box. Vergu Link, who handled most of the important games last year, has left. R. L. Thompson, a junior, who pitched one game against Harvard and Yale, still remains, but a strained arm makes it doubtful whether he will be able to do much box work this year.

D. D. Chaplin, a senior, who won his letter two years ago, but who was kept out of the game by sickness last year, is working daily in the cage. His wildness, however, will have to be cut down if he is to be of much value to the squad.

Coach Clarke is having Dave Tibbott, the football star, working daily in the box. Tibbott is absolutely inexperienced, but shows a great deal of promise, as he has a smooth, free delivery. From last year's freshman team, E. C. Savage is reporting daily, while Parmela will be out as soon as basket ball is over. Scully, the only regular available for the infield, as Driggs will be removed from his old position at shortstop to a place behind the bat.

Golf Links to Be  
Used to Grow Spuds

New York, March 10.—Since the beginning of the European war there have been many stories told about the various uses to which golf courses, clubhouses, etc., were put, and the latest comes from the Walton Heath Golf Club near London. This is the home links of James Braid, who was reported killed in a train accident a few weeks ago, and who lived to enjoy reading things about himself he never knew before.

The club in question has asked permission to cultivate five acres of land on Walton Heath for the purpose of growing potatoes or some other crop during the continuance of hostilities.

Madison Square  
Garden May Prove  
a White Elephant

New York, March 10.—If the boxing authorities of New York State do not make up their minds as to what course they will pursue in the near future, Hugh Grant Browne, the millionaire sportsman, may find that he has "an elephant on his hands" in his lease on Madison Square Garden.

Browne hired the huge building in good faith and ejected all the tenants who had been there for years in order to remodel the structure into a gigantic sportsman's club.

He had extensive plans for the sporting fraternity, which are more or less "knocked in the head" by the attitude of Governor Whitman's toward boxing, and he may be forced to forego the proposed reconstruction until such time as the State Executive is either won over to boxing or some new "coin producer" is found in its stead.

New Form of Women's  
Basketball Made

Lawrence, Kan., March 10.—A new form of women's basketball, similar to the style played in the men's game, has been invented by the originator of basketball, Dr. James Naismith, head of the department of physical education at the university, and Miss Helen Pratt, instructor in physical training for women. The game has been tried, and it is believed that the new form will prove popular.

The main change in the rules of the game is the elimination of the lines that were used for separating forwards, centers and guards. In the new game but one line will cross the court, in the center. The centers will be allowed to play all over the court, but the guards must stay on one side of the line and the forwards on the other. Guards and centers will also be permitted to throw goals in this game, which they could not do under the old rules.

The reason for the change is largely due to the demand from the high schools for some uniform court so that there would be no confusion.
